19 [X] **CASE STATUS INQUIRIES:** Before the court is your letter requesting status (ECF
20 No.24). The court will notify you when any action is taken in your case. Due to the large
21 number of civil actions pending before the court, the court is unable to respond in writing
22 to individual inquiries regarding the status of your case. As long as you keep the court
apprised of your current address, you will receive all court decisions which might affect
the status of your case. If you have not submitted a document required in your case, the
court will notify you.

24 [X] **MOTIONS:** A document requesting a court order must be styled as a motion, not a letter.
See Federal Rules of Civil Procedure 7. Letters to a judge will be disregarded.
